

Table Tennis Report 2024-2025

Our table tennis clubs are still doing very well.

Waltham Table Tennis Club has twenty regular members; nine of these players also play in the Canterbury League, with two more due to start playing in the Summer League at the end of the month. We have played every Thursday that the hall has been available, other than missing a couple of weeks at Christmas. We had our usual Christmas meal at The Gate Inn in Canterbury; this was attended by twenty-two players/partners.

Waltham Choughs Table Tennis Club has two teams in the Canterbury League; one in Division Two and one in Division One, and we will have two teams in the coming Summer League with two new players from our Thursday night regulars. We bought a new table last year, and passed the old one onto the Thursday night players; this was a big improvement on the one that was owned by the village club. Waltham Choughs B got to the semi-final of one of the cups a couple of weeks ago; they just missed being in the final.
