

# **WALTHAM VILLAGE HALL CHARITY**

## **Chairman's Report for year 2024-2025**

During 2024/2025 a steady number of bookings for the Hall together with a grant of £2,500 from Waltham Parish Council have helped with continuing high costs of electricity.

The Hall is a regular venue for Yoga, Gardeners Society meetings, Table Tennis, Scrable, Poetry Club, Social afternoon, Parish Council meetings and Lent lunches, in addition a variety of one off events, this year including an Italian Evening, the pre Christmas mulled wine and mince pies and a presentation on Waltham windmills to a packed Hall. The ever popular Pop Up Cafe took place last Saturday 12<sup>th</sup> April.

General maintenance of the Hall continues with a list of further maintenance items as always growing.

The Hall continues to be a vital community focus and asset in our Village Community.

Les Leslie  
Chairman  
Waltham Hall Charity.
